

From the GM

Dear Members,

Great things are happening at BHCC. Please note that we have several major construction projects scheduled to begin next week. You will see multiple companies with heavy equipment on the club property. Please be patient with us as we begin extensive repairs to the BHCC pool and replace the main clubhouse roof. We do apologize for any inconvenience this may cause as we work to improve our member spaces.

I look forward to another fabulous BHCC spring & summer season.

Warmest regards,

Brandie Thomas
General Manager

Cart Rules for Winter Play

- KEEP CARTS ON PATH as much as possible
- ALWAYS keep carts on path at greens and tees

While temperatures might be good enough to play golf in the winter, the turf is dormant until spring. Damage to turf from cart traffic will not recover throughout the winter while the turf is dormant, so it is necessary to keep carts on the path during this time.

From the Superintendent

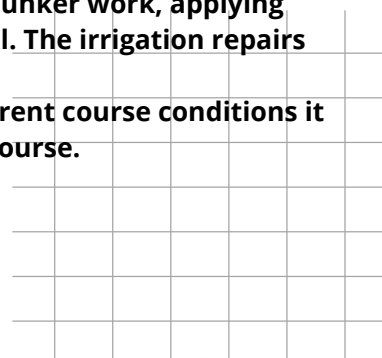

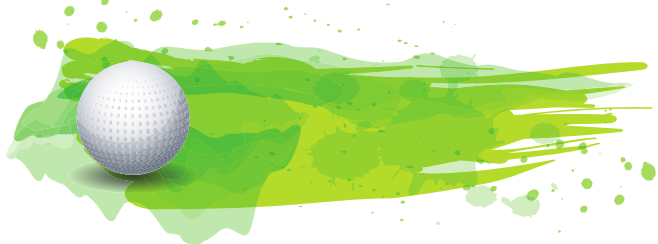

It's been a very slow start to the golf season this year with either frozen snow covered turf or super-saturated soil from heavy rains. We are eager to get started with the maintenance season, but first a quick note. We had to postpone the drill and fill until a later date because of inadequate conditions. The course needs to be a bit dryer and thawed for the drill and fill to be performed correctly. It is starting to warm up, but with soil temperatures still lower than average it will be a little later for green up and trees budding out.

We have a few things planned this month starting with a fairway weed control application. This will get rid of any weeds that have emerged over the winter and prevent any others from coming up this spring. A deep tine aerification is scheduled for Monday the 10th. The course will be closed all day and will be back open on Tuesday weather permitting. The greens will be a little bumpy for a few days, but will smooth out with rolling daily. Since the soil was dry and firm this fall from the extreme heat and lack of rain during the summer we will be seeding the rough this month to fill in any areas where turf loss occurred. Also there are a few other maintenance items that we will be working on this month. They are repairing and priming the irrigation system, bunker work, applying fertilizer, applying fungicides, and getting the greens prepped for core aerification in April. The irrigation repairs consist of fixing broken heads and repairing a few leaks.

I'm sure everyone is waiting for warm weather just like we are. As for now, with the current course conditions it is very important that everyone follow the cart path rules. Hope to see everyone on the course.

Superintendent

Russell Stewart

Berry Hills Golfers

Typically, we play year-round, but this year has been interrupted by “Mother Nature”. However, Spring is near, and we will begin playing again soon.

Russ and his crew are doing everything that they can to get the course ready for the season and they need our help. We can best help the course conditions by following these few easy rules of our course.

Fix your own divots plus one more.

Fix your own ball marks plus a few more.

Most importantly, stay on the cart path when it is “Cart Path Only”.

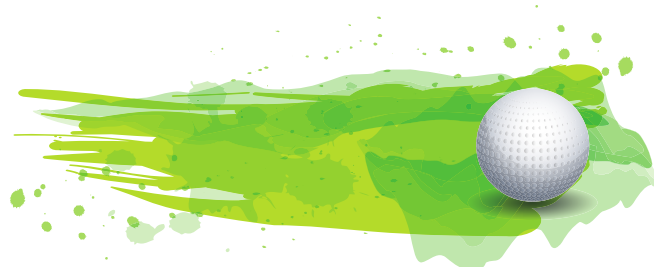

This will be our practice most of the spring season. Do not drive on or near the tee box or greens. If you have mobility limitations, red flags may be requested at the pro shop. Otherwise, we request that you adhere to the rules of the golf course. Penalties for infractions are being considered but hopefully will be avoided. The BHCC Golf Course belongs to all of us and it takes us all to maintain it.

See you on the Course!

Golf & Green Chairs

Junior Golf Academy

The Junior Golf Academy is designed to elevate your juniors' golf game to a higher level of consistency and performance. I believe to play great golf there are three aspects of the game that need to be trained: Your craft (grip, aim, setup, posture swing) your body (flexibility and strength), and your mind (pre-post-shot routines, focus, refocus) and I am excited to announce that we start on May 3rd - June 7th.

The Academy will meet every Saturday at the time described down below, working on the skills of the day (ex. craft-putting, body- core, mind- focus) After education we will go out and take their skills to the course where we start from the green and work our way back. We start from division 1, 25 yards and in from every hole striving to shoot 36 for 9 holes. Every time a player is successful shooting 36, they move to division 2, 25 yards until they reach full tee box. I have found that if we start from the green and progressively move back that builds a player's confidence, clearer vision, motivates them to shoot lower scores and helps them remain playing this wonderful game for a lifetime.

Ages 6-9- 12:00-12:30

Ages 10-12- 12:45-1:15

Ages 13-16- 1:30-2:00

*** After education players will receive a scorecard and they go play from their divisions.

Ladies Golf Academy

Welcome to the Ladies Golf Academy. No matter if you are a beginner that loves the social aspect of golf, or a player trying to improve your mechanics, consistency and performance on the course, this Academy will be great for you. Our team is excited to begin this journey with you, starting April 29th - June 3rd

The Academy will meet every Tuesday from 5:00-5:45 to work on the golf skills (putting, chipping, irons, driver, etc.) of the day.

After education, at 6:00 pm, we will go out and take the skills you learned from practice facility to the course where we start from the green and work our way back. We start from division 1, 25 yards and in from every hole striving to shoot 36 for 9 holes.

Every time a player is successful shooting 36, they move to division 2, 25 yards until they reach full tee box. I have found that if we start from the green and progressively move back that builds a player's confidence, clearer vision, motivates them to shoot lower scores and helps them remain playing this wonderful game for a lifetime.

Family League

Every other Thursday night during the summer months starting June 26th, we will be hosting a "Thursday Night Family Golf League" where we start our families with a ½ hour warm-up/instruction starting at 4:30pm. Then we will pair the parents up with their junior team for a 5:00 pm shotgun start! Teams will play as many holes as they can play by 7:00 pm. After playing make sure you come down to the club house where you and your family can enjoy our delicious Thursday Night Special. The teams, formats and games will vary each week. This invitation goes out to ALL FAMILY and SOCIAL members (Grandparents, Aunts, Uncles, Mothers, Fathers etc). Parents sign your kids up and you'll have a playing partner for a lifetime! Down below are the dates for Family Night

June 26th July 10 July 24 August 7 August 21 September 4

Margarita Madness

Friday evenings/5:00-5:30/play after until 7:00

Dates: August 8th August 29th September 12th September 26th
